

Cheryl Wang

Country:China

Languages:Chinese,English

Personal Description:I am a typical Chinese girl,quiet and simple.I love life and try to do my best.I chase free,but I also like order.If you like Chinese traditional culture,I can introduce it to you in details,but I am not good at cooking.So the only food I can prepare for you is dumplings.~:)

Hobbies:reading books,playing violin,swimming and traveling

Favourite Music and Movies:Music Hmm...Basicly,I love classical music,soft rock and slow music. But sometimes it depends on the music itself. Movies:I like science fiction movies and the movies that show us love,family ties and friendship.Horror films always make nightmares for me,so I can't see it.:)

The craziest thing I've done in my life:^^I don't think it's a good memory.Actually it's really dangerous.Once I were traveling and really unfamiliar with the railway station.I found I should get off when the train started moving again. Then I jumped off.

Things I like:I like sunshine,sweet dreams and smiles from others.Sometimes I prefer alone,but I also like sharing time with my dear friends.

Things I don't like:I don't like someone smoke in front of me, or stay in a smoking environment.And I hate lies.

What I expect from host family:A warm and sweet environment:)

Life Motto:Night tints my dark eyes.With them, I seek for light!— —from Chinese poet,Gu Cheng
