Personal Description: I am an optimistic, hospitable, love to share guy. I love to fix computer, phone and something like that! Because it will give me a lot of accomplishment.

I love meet new friends, I love communicating with others, I think it can let me learn more different things and I can advanced myself! I like to arrange everything like self-travel or what I want to do tomorrow, cause I can't endure mess and trouble things in my life. So I always plan it before I do it.

Hobbies: listen music, communicating, play some DOTA game.

Favourite Music and Movies: I love Jazz, Blue, Dance those type, but it depend on my mood☺, and I love Superheroes by The Script recently. I love Romance, Comedy, and Fiction movie!

The craziest thing I've done in my life: I had ever participated "[Sunflower student movement](#)" (CNN link) in this year, and I'll never forget it. This is DEMOCRACY for Taiwan, remember that time I was assigned as a member to defend that attack of Police, and we have to watch out any movement of Police, cause we would be attacked by them that time.

So I think this is the craziest thing in my life, and it's an extraordinary experience!

Things I like: I love meet new friends like I mention it just now, and I worked as a bartender ever, because I like to taste wine to relax sometimes.

Things I don't like: I hate mess thing, and I don't like people who backbiting others, but actually I like talk about gossip like women :))

What I expect from host family: Friendly and willing to communicate with me ☺
